

# Street Cranexpress.

## NEWSLETTER

*September - December 2025*

2025 has been a busy year at Street Cranexpress with our involvement in some major projects up and down the UK, to the **expansion** of our ever-busy **Spare Parts** department. Our new recruits have allowed us to respond to enquiries quickly, helping our customers keep their lifting gear on track and operational.

We've also expanded our training team, and we're looking forward to launching a range of **brand-new training courses** throughout 2026. More on this in the New Year.

But first...

### **We scooped an award at the LEEA Ceremony!**

We were really pleased to be shortlisted for the 2025 LEEA Award for **“Excellence in People Development”** back in October, and we're even more pleased to win!

Judges at the event said our detailed entry highlighted **“genuine dedication to workforce development”** and showed **“meaningful investment in skills and training”** as well as **“convincing evidence of a proactive approach to nurturing and empowering people”**

This award stands testament to our ongoing commitment in investing in our **SCE Academy** and the wider team across the business throughout 2026 and beyond.

## Do you need spare parts?

Do you maintain your own overhead crane? If you've ever experienced issues sourcing spare parts – we get it, it can be frustrating, especially if your overhead crane is a bit of an old faithful and you may be unsure which part you need.

Here's where Street Cranexpress steps in... our dedicated spare parts team has **years of knowledge** and **experience** and is best placed to help identify and supply the part you need to get your lifting equipment back on track and running like new.

Click the link to check out our spare parts blog and how we can help you -

## Street Cranexpress celebrates investment in team training success

We have a long history of investing in our talented team, helping them develop their skills and widen their knowledge in their chosen field. And, when they've completed their training, we like to shout about their success which is why we're pleased to announce our HR and Training Administrator, Emma Fox, has recently gained her CIPD Level 5 qualification.

You can read all about her learning journey, here:

## SCE Group Snowflake for Sheffield Children's Hospital

We are delighted to support local charity, **Sheffield Children's Hospital** this Christmas by sponsoring a snowflake.

The snowflakes help light up Sheffield and raise vital funds for the incredible care Sheffield Children's Hospital provides for young patients and their families across our region. We're honoured to play a part in making a difference this festive season.

Find out more about the Snowflakes appeal and the amazing work it supports here: <https://sheffieldchildrens.org/get-involved/snowflakes/>
